

6th Online International Conference on Nanomaterials and Nanotechnology

October 13-14, 2022

Theme: Nanomaterials and Nanotechnology Current Research and Advancements

E-mail: nanomaterials@heraldmeetings.us

Phone: +1 202-817-9658

What's App: +1 202-817-9658

<https://nanotechnology.heraldmeetings.com/>

Conference includes Online and Offline Presentations

1. Online Video Presentations

Online video presentations include keynote, plenary, speaker, workshops, symposia and young researcher forum.

Online video sessions can be done through live streaming where everyone can listen the presentations and discuss.

2. Offline Video Presentations

Offline video presentations include keynote, plenary, speaker, workshops, symposia and young researcher forum.

Offline video presentations should be recorded for 20-25 minutes and this recorded presentations will be played during the conference.

3. Online Poster Presentations

Online posters can be done through live streaming, e-poster have to be prepared and displayed during the event with explanation.

Everyone can listen and discuss about the presentation.

4. Offline Poster Presentations

Offline poster presentations includes displaying e-posters recorded with audio.

Note: For all the above presentations, Certification and Abstract publication is included.

Conference Topics

- Nanomaterials and Nanotechnology
- Nano Materials Synthesis and Characterization
- Bio-Nanomaterials, Biomedical Devices and Applications
- Advanced Nanomaterials and Nanotechnology
- Polymer Biomaterials
- Graphene and 2D Materials
- Materials Science and Engineering Physics
- Nanotechnology and Energy
- Nanotechnology: Environmental Effects and Industrial Safety
- Nature Nanotechnology
- Polymer Nanotechnology
- Molecular Nanotechnology
- Nano Biotechnology
- 3D Printing Nanotechnology
- Carbon Nanotechnology
- Nanotechnology in Water Treatment
- Nanotechnology in Tissue Engineering
- Nanotechnology in Agriculture and Food Industry
- Nano Fabrication, Nano Patterning and Nano Imprinting
- Medical Nanotechnology
- Aquananotechnology
- Pharmaceutical Nanotechnology and Nanomedicine
- Nanoelectronics, Nanophotonics and Nanomagnetism
- Nanoengineering and Micro Systems
- Nanophysics and Nanochemistry
- Nanocomposites and Nanoparticles
- Nano Computational Modelling
- Nanoscience and Technology
- Nanotechnology Safety
- Applications of Nanotechnology and Nanomaterials
- Current Research in Nanotechnology and Nanomaterials

For Abstract Submission: <https://nanotechnology.heraldmeetings.com/submit-abstract>

You can submit your abstract as a reply to email also

Registration Details

Academia

Oral/ Poster Presentation \$149

Listener/ Delegate \$199

Student

Oral/ Poster Presentation/ Listener/ Delegate \$99

Business

Oral/ Poster Presentation \$199

Listener/ Delegate \$249

E-Poster

Offline Poster Presentation \$149

Submit your abstract: <https://nanotechnology.heraldmeetings.com/submit-abstract>

Register Online: <https://nanotechnology.heraldmeetings.com/registration>

Abstract Submissions and Registrations Open
